CCNZ CONFERENCE 2023 | 30 AUG - 1 SEPT

Presidents' Welcome

The past few years have brought their fair share of crisis and opportunity. Take the chance to share your experiences, show your equipment and services and enjoy some good times with NZ's contractors at civil construction's main event – the Civil Contractors Conference.

The Civil Contractors Conference provides awesome opportunities to hear the latest wisdom and ways of working together, meet top contractors from across the country and build relationships with the civil construction industry's suppliers.

This year will see our conference return to Auckland for the first time since 2016. We had more than 800 delegates at last year's event, and hope this year will be bigger than ever! Be there and make sure you are connected with the people who will construct and maintain NZ's infrastructure for decades to come.

I'm looking forward to seeing you there.

Bailey Gair
