

Providing value to your business

Belong to New Zealand's contracting organisation

Civil Contractors New Zealand (CCNZ) is run by contractors for contractors and is the voice of the civil and general contracting industry, providing advocacy, training and services that add value to your businesses.

As a member you become part of a proactive network of professional contractors working to ensure a safe, viable and progressive industry. You will be associated with our strong brand and can access expert advice, exceptional networking opportunities and member discounts.

✓ Raise your business profile

- Your company will feature on the CCNZ website, email newsletter and in Contractor magazine
- You can use the CCNZ member logo, raising your business's profile as a professional, skilled and ethical industry participant.

✓ Build your Networks

Meet and develop relationships with other contractors, clients and industry suppliers through:

- Regular events and meetings run by our 14 regional branches
- National roadshows, seminars and training events
- CCNZ's annual conference

✓ Support a strong voice for Contractors

- Input at central and local government level
- Advocacy on key policy, safety, technical and legal issues – such as health and safety reform, voidable transactions and retentions
- Influential voice on advisory committees, working groups and construction industry related bodies
- Contractor input into client procurement processes, draft tender documents and pre-qualification requirements.

✓ Access high quality relevant advice, information and training

- Regular updates on health and safety, technical, compliance and regulatory information
- CCNZ-run technical committees, working groups, seminars, roadshows and training sessions
- Free dispute and contract issues advice
- Complimentary subscription to the monthly Contractor magazine
- Civil Talk e-newsletter each fortnight
- Industry Codes of Practice, employment and contract agreement templates and information sheets on critical issues.

✓ Support Industry self-governance

- The new CCNZ Civil Trades regime, a recognised trade qualification
- The new ConstructSafe competency system
- The Asphalt Plant Accreditation Scheme
- E2 Certification – Registration of Bitumen Sprayers
- Supply of mandatory labels

✓ Save your business money

- The complimentary n3 discount savings scheme for your staff and your business
- Z discount fuel scheme
- 15 minutes free legal advice from Kensington Swan
- Annual Conference discounts
- Civil Trades fee discounts
- Regular deals from our associate members

✓ Awards and Recognition

- National and regional excavator operator competitions
- National Hirepool/CCNZ Construction Excellence Awards
- National Z/CCNZ People Awards
- National Connexis/CCNZ Company Training Awards
- Branch awards programmes
